Practical Information

Students will be assigned an official UPEACE email account to access the platform. This account will be used for official communications related to the programme and will be needed to access and consult UPEACE digital libraries and resources during the course.
The UPEACE email account will remain active for graduates to continue using it.

In order to successfully attend the programme, students will be required to have reliable internet connection and a computer/laptop.

Technical Requirements:

Adobe Acrobat Reader (version 8 or higher)

A Web browser: **Internet Explorer** (version 7 or higher), **Opera** (version 8 or higher), **Google Chrome**, **Firefox** (version 3 or higher), or **Safari**

Flash Player
